**Discovering the World Around US  
STEM CAMP  
Student Intern Counselor Job Description**

The Student Intern Counselor is an academically gifted, respectfully mature, and talented scholar currently enrolled in a secondary institution as a rising Junior or Senior in High School or a First year College student who has a strong interest in studying, researching, and teaching STEM related activities to elementary students between 5 and 12 years of age.

Student Intern Counselors must exhibit professional behavior at all times and show a willingness to follow directions, plan and organize activities, and monitor elementary age children through daily STEM activities throughout the course of the Camp. Students must have a fun, yet serious personality and must have demonstrated successful mastery of STEM related activities with a 3.0 GPA or better to be considered as a student intern counselor. **A performance-based stipend of up to \$400 will be awarded for all summer intern counselors who meet or exceed all expectations of the program.** The STEM Camp will be from June 25-29, 2017 from 8:00 am to 5:00 pm hosted by Beth Shalom AME Zion Church at 8100 Malcolm Road, Clinton, MD, 20735. If selected, there will be mandatory orientation sessions that will be announced if accepted that you must attend for all incoming staff. Please attach a resume, transcript/current report card, two (2) letters of recommendation with one being from a Math/Science teacher, and a current police clearance to the application. Online Application available at [www.bethshalomamezion.org](http://www.bethshalomamezion.org)

**The application deadline is Friday, June 8, 2018.**

Please send completed application to the following address:
